The Answer is a SMS Away

Introduction

Imagine you are on holiday in Bredasdorp. It's your first time in this amazing place and you wander the streets, filling up on the sights & sounds that flood your senses.

But then your little son complains about a stomach ache, it was just one ice-cream to many. You need to find that special medicine, before the holiday becomes a nightmare, but does this town even have a pharmacy?

TravelGeni has got you covered. The answer is only a SMS away.

So Easy to Use

Send one short SMS to TrevalGeni with the name of the town and a single keyword of the establishment you are looking for. We will return the list of matching options within seconds.

We will even provide you with detailed directions to a specific place you select from the list received. We have just brought the magic of Google Maps to your SMS. No internet, smartphone or stress required
